## REFLECTION: Salt and Light

*“Share your bread with the hungry and shelter the homeless poor, clothe the man you see to be naked and turn not from your own kin. Then will your light shine like the dawn...”* These words are taken from today’s first reading, where God’s call to action compels us to engage in practical acts of love and compassion towards others. By responding to these needs, we let our inner light shine brightly, revealing His presence to those around us. God values genuine love over outward, public religious displays. Today, let us serve those in need and become agents of justice and hope.

In the gospel, Jesus calls us to be the salt of the earth and the light of the world. Salt, quietly preserves, gives flavour, and prevents decay, much like our faith should add meaning to life and help fight indifference and injustice. Light reveals hope in darkness, reminding us that our good works should lead others to glorify God. Being Salt and light is not about extraordinary actions but being faithful in everyday moments by choosing kindness, justice, and compassion. Through these small acts, we make God’s presence tangible in the world.

## Reflective question:

What is one concrete step I can take to be salt and light for someone?

## ***You are the Salt and Light!***

Jesus says we are the salt of the earth. Have you ever tasted food that wasn't salty enough? It can taste pretty bland. But do you notice when food has the right amount of salt? Usually we don't think about it. It's kind of hiding in the food and making it taste good. Jesus wants us to be like the "salt" in the world, with the goodness and truth that He gives us.

Jesus also says that we are the light of the world. Can you imagine a completely dark world: no sun or lights or anything? It would be pretty scary. You'd never know what was happening or where you were going. That's what the world can be like for people who don't have the light of God's truth. It's our job to bring the truth to the world so that everyone can see that God loves them.

We have to bring God's light everywhere we go. But we must be gentle with people who don't understand the truth. Otherwise it would be like shining a light in someone's eyes, and they wouldn't be able to see anything. We need to start out like little candles, lighting the way so that people can follow us toward God.
